### Dessert and Discussion

The next Dessert and Discussion session will be held on January 15, 2002 from 7-8:30 PM for parents of 9th-10th graders.

Participants are encouraged to submit questions to Mrs. Demers in the Main Office, in advance to facilitate an efficient evening. Questions may still come from the floor, but only as the agenda permits.

As with the last session, specific questions pertaining to specific incidents should be handled through one of the administrative offices either prior to or after this session.

Desserts are welcome!
