

2019 CATHOLIC SCHOOLS WEEK AT CBA

Catholic Schools
Learn. Serve. Lead. Succeed.

The journey has begun,
the day has arrived for
us to walk with one another
with God as our guide. We
will learn so much and
have come so far. We are
Lasallian Brothers who
have raised the bar.
The standards are high,
but we have learned
from the start that
we will all make it if
we follow our heart.
Every day = awake
with a grateful smile.
Our Lasallian education
gives us blessings that

go on for miles. Even when the days are rough the end seems too far, we can
look to our Lasallian community and follow the star. The Lasallian
star of core principles that is of course, these principles help
guide us even through the dark. Our Lasallian community is
so loving and strong. As a CBA Brother you can almost never go
wrong. We are a family here at CBA and have grown so much closer
to God and our faith. I am ever so thankful for the community
Lasallian education provides, not to mention the great love that
everyone has inside. Lasallian education has given us so much.
We are all so blessed and fortunate to be a part of this bunch.

This bunch of faithful,
loving, and caring brothers.
Our family, our home,
who looks out for
others. We share the
same pride in our
Lasallian school. We are
proud to be Brothers
living by God's rules.
So, thank you to
everyone who has made
our experiences so
memorable, the
memories we cherish,
and the people we'll
always care about.
Lasallian education
has helped us to
grow and become
the people we are
and the people we
love.
