

2019 CATHOLIC SCHOOLS WEEK AT CBA

Catholic Schools
Learn. Serve. Lead. Succeed.

Dear CBA,

I joined your community in 9th grade. To be honest, the 'Catholic' label created an unintentional bias in my mind. I mean, I'm not Catholic, I'm not even Christian; but you, CBA, still welcomed me. As soon as I passed through the doors, I knew my worries of being a Jew in a Catholic school were foolish. You allowed me to advance my education and give me opportunities I never had before. You gave me the most amazing friends I could ever ask for. The Catholic aspect granted me with a deeper understanding for a faith that is not my own. CBA, you gave me a family, a home, and a foundation that ~~with~~ I can build upon as I continue to stumble through life. For all of this CBA, I thank you.

Sincerely yours, Jessa Davidson
